Note. Af Am = African American, Am Ind = American Indian, AAPI = Asian American Pacific Islander, Parent education represent bachelor's degree or higher. ELA = English language arts. ELA and math scores are from the second grade California Standardized Testing and Reporting (STAR) state exams. Scores are not available for cohort 2012 and 2013 because both kindergarten cohorts will not have taken the exams. Any SPED = any special education, rates are lower for later cohorts given that they have fewer waves of data.
