Search 1: Head-Mounted Displays and Surgery

Searches conducted on July 26, 2016, resulted in 1255 publications with 371 duplicates removed, leaving 884 remaining publications. See <http://prisma-statement.org/PRISMAStatement/FlowDiagram.aspx> for flow diagram template. Update: July 1, 2016, to March 24, 2017, searches resulted in 215 publications with 52 duplicates removed, leaving 163 remaining publications. Update with addition of “magic leap” from March 1, 2017 to July 27, 2017, searches resulted in 124 publications with 31 duplicates removed, leaving 93 remaining publications.
