

Appendix A

List of intervention studies included and excluded in the meta-analysis.

Review Article	Evaluation Study	Inclusion	
Graham-Bermann (2000)	Cox (1995)	No	No use of a standardized instrument (anecdotal evidence)
	Frey-Angel (1989)	No	Not a quantitative evaluation study (clinical case examples)
	Graham-Bermann (1998)	No	Data could not be used (summary of findings)
	Hughes & Barad (1983) ^a	No	No pre- and post-intervention data for child/adolescent outcomes
	Jaffe et al. (1986) ^a	No	Data could not be used (percentages and no additional data available, based on author response)
	Jaffe et al. (1988)	No	Data could not be used (percentages and no additional data available, based on author response)
	Jouriles et al. (1998) ^b	No	Intervention did not include children/adolescents (mother victims)
	Peled & Edleson (1992) ^a	No	Not a quantitative evaluation study (qualitative data)
	Peled et al. (1995) ^a	No	Not a quantitative evaluation study (qualitative data)
	Ragg et al. (1998) ^a	No	Could not be located (conference presentation)
	Sullivan & Davidson (1998) ^c	No	Could not be located (report)
	Tutty & Wagar (1994)	No	Not a quantitative evaluation study (no outcome data presented)
Graham-Bermann & Hughes (2003)	Wagar & Rodway (1995) ^d	No	No use of a standardized instrument or outcome relevant for meta-analysis (child witness to violence questionnaire)
	Wilson et al. (1989)	No	Data could not be used (percentages within a conceptual paper so no data available, based on co-author response)
	Graham-Bermann (2000) ^e	No	Duplicate
	Jouriles et al. (2001) ^f	No	Intervention did not include children/adolescents (mother victims)
	Sullivan & Davidson (1998) ^c	No	Duplicate
Cohen et al. (2006)	Sullivan et al. (2002) ^g	No	No use of a standardized instrument or outcome relevant for meta-analysis (child self-competence)
	Lieberman et al. (2005) ^h	Yes	
	Lieberman et al. (2006) ⁱ	Yes	

	Jouriles et al. (1998) ^b	No	Duplicate
	Jouriles et al. (2001) ^f	No	Duplicate
	Wolfe et al. (1997)	No	Data could not be used (summary of findings in a book)
	Graham-Bermann (2000) ^e	No	Duplicate
Rivett et al. (2006)	Ducharme et al. (2000) ^j	No	Intervention did not include children/adolescents (mother victims)
	Graham-Bermann & Levendosky (1998)	No	Not a quantitative evaluation study (no outcome data presented)
	Hughes & Barad, (1983) ^a	No	Duplicate
	Jaffe et al. (1986) ^a	No	Duplicate
	Jouriles et al. (1998) ^b	No	Duplicate
	Jouriles et al. (2001) ^f	No	Duplicate
	MacMillan & Harpur (2003) ^k	Yes	
	Rabenstein & Lehmann (2000)	No	Not a quantitative evaluation study (no outcome data presented)
	Ragg et al. (1998) ^a	No	Duplicate
	Peled & Edleson (1992) ^a	No	Duplicate
	Peled et al. (1995) ^a	No	Duplicate
	Pepler et al. (2000) ^k	Yes	
	Sudermann et al. (2000) ^k	No	Not a quantitative evaluation study (qualitative data)
	Sullivan & Davidson (1998) ^c	No	Duplicate
	Wagar & Rodway (1995) ^c	No	Duplicate
Vickerman & Margolin, (2007)	Cohen et al. (2004) ^l	No	Data could not be used (sample experienced multiple victimization and IPV-specific data are not available, based on author response)
	Graham-Bermann & Hughes (2003) ^s	No	Duplicate
	Graham-Bermann et al. (2007) ^m	Yes	
	Jouriles et al. (2001) ^f	No	Duplicate
	Lieberman et al. (2005) ^h	No	Duplicate
	Lieberman et al. (2006) ⁱ	No	Duplicate
	McDonald et al. (2006) ⁿ	No	Intervention did not include children/adolescents (mother victims)
	Sullivan et al. (1994)	No	No pre- and post-intervention data for child/adolescent outcomes (mother outcome data only)

	Sullivan et al. (2002) ^g	No	Duplicate
	Wolfe et al. (2003)	No	Data could not be used (sample experienced multiple victimization and IPV-specific data not available, based on author response)
Stover et al. (2009)	Cohen et al. (2004) ^l	No	Duplicate
	Lieberman et al. (2005) ^h	No	Duplicate
	Lieberman et al. (2006) ⁱ	No	Duplicate
	Graham-Bermann et al. (2007) ^m	No	Duplicate
Rizo et al. (2011)	Becker et al. (2008)	Yes	
	Blodgett et al. (2008)	No	Data could not be used (effect sizes could not be calculated, and no author response to request for additional information)
	Carter et al. (2003) ^v	Yes	
	Crusto et al. (2008) ⁿ	Yes	
	Dodd (2009) ^o	No	Data could not be used (effect sizes could not be calculated, and author contact information not available for follow-up)
	Ducharme et al. (2000) ^j	No	Duplicate
	Ernst et al. (2008)	No	Data could not be used (effect sizes could not be calculated, and no author response to request for additional information)
	Gibson & Gutierrez (1991) ^o	No	Data could not be used for a meta-analysis (descriptive data and additional data not available, based on co-author response)
	Graham-Bermann et al. (2007) ^m	No	Duplicate
	Johnston (2003)	Yes	
	Jouriles et al. (2001) ^f	No	Duplicate
	Jouriles et al. (2009) ^l	No	Intervention did not include children/adolescents (mother victims)
	Lieberman et al. (2005) ^h	No	Duplicate
	Lieberman et al. (2006) ⁱ	No	Duplicate
	Kot et al. (1998) ⁿ	Yes	
	Marshall et al. (1995)	No	No use of a standardized instrument or outcome relevant for meta-analysis (victimization questionnaire)
	MacMillan & Harpur (2003) ^k	No	Duplicate
	McDonald et al. (2006) ⁿ	No	Duplicate

	McFarlane et al. (2005a) ⁿ	No	Intervention did not include children/adolescents (mother victims)
	McFarlane et al. (2005b)	No	Intervention did not include children/adolescents (mother victims)
	McWhirther (2008)	No	No use of a standardized instrument or outcome relevant for meta-analysis (emotional barometer)
	Peled et al. (2010) ^o	No	Intervention did not include children/adolescents (mother victims)
	Pepler et al. (2000) ^k	No	Duplicate
	Smith & Landreth (2003) ^p	Yes	
	Suderman et al. (2000) ^k	No	Duplicate
	Sullivan et al. (2002) ^g	No	Duplicate
	Sullivan et al. (2004) ^p	Yes	
	Timmer et al. (2010) ^o	Yes	
Gillies et al. (2012)	Tyndall-Lind et al. (2001) ⁿ	Yes	
	Wagar & Rodway (1995) ^c	No	Duplicate
	Cohen et al. (2004) ^l	No	Duplicate
	Cohen et al. (2011) ^q	Yes	
Hackett et al. (2016)	Crusto et al. (2008) ^l	No	Duplicate
	Graham-Bermann et al. (2011a,b)	No	Data could not be used because they were the same as reported in Graham-Bermann et al. (2007)
	Gwynne et al., (2009)	No	Data could not be used (analyses not conducted separately for IPV-exposed children, and no author response to request for additional information)
	Jouriles et al. (2009) ^l	No	Duplicate
	Kot et al. (1998) ⁿ	No	Duplicate
	Lieberman et al. (2005) ^h	No	Duplicate
	McDonald et al. (2006) ⁿ	No	Duplicate
	McFarlane et al. (2005a) ⁿ	No	Duplicate
	McWhirter (2006)	No	Intervention did not include children/adolescents (mother victims)
	McWhirter (2011) ^r	No	Intervention did not include children/adolescents (mother victims)
	Shultz et al. (2007)	Yes	
	Smith & Landreth (2003) ^p	No	Duplicate
	Sullivan et al. (2004) ^p	No	Duplicate

	Tyndall-Lind et al. (2001) ⁿ	No	Duplicate
Gillies et al. (2016)	Cohen et al. (2011) ^u	No	Duplicate
	Lieberman et al. (2005) ^h	No	Duplicate
	Overbeek et al. (2013)	Yes	
Austin et al. (2017)	Basu et al. (2009)	Yes	
	Dodd (2009) ^o	No	Duplicate
	Ducharme et al. (2000) ^j	No	Duplicate
	Gibson & Gutierrez (1991) ^o	No	Duplicate
	Graham-Bermann & Miller (2013)	No	Intervention did not include children/adolescents (mother victims)
	Graham-Bermann et al. (2015)	No	Intervention did not include children/adolescents (mother victims)
	Grip et al. (2011)	Yes	
	Howell et al. (2014)	No	Intervention did not include children/adolescents (mother victims)
	Jouriles et al. (2001) ^f	No	Duplicate
	Jouriles et al. (2009) ^l	No	Duplicate
	Kearney & Cushing (2012)	No	Intervention did not include children/adolescents (mother victims)
	Lavi et al. (2015)	No	No pre- and post-intervention data for child/adolescent outcomes
	Lieberman et al. (2005) ^h	No	Duplicate
	Lieberman et al. (2006) ⁱ	No	Duplicate
	Keeshin et al. (2015)	No	No pre- and post-intervention data for child/adolescent outcomes
	McDonald et al. (2006) ⁿ	No	Duplicate
	McWhirter (2011) ^r	No	Duplicate
	Peled et al. (2010) ^o	No	Duplicate
	Prosman et al. (2014)	No	Intervention did not include children/adolescents (mother victims)
	Smith et al. (2015)	Yes	
	Smith & Landreth (2003) ^p	No	Duplicate
	Sullivan et al. (2002) ^g	No	Duplicate
	Sullivan et al. (2004) ^p	No	Duplicate
	Timmer et al. (2010) ^o	No	Duplicate
	Vergara et al. (2015)	No	Intervention did not include children/adolescents (mother victims)

	Waldman-Levi & Weintraub (2015) ^t	No	No use of a standardized instrument or outcome relevant for meta-analysis (coding of videotaped interactions)
Anderson & van Ee (2018)	Basu et al. (2009) ^t	No	Duplicate
	Becker et al. (2008) ^p	No	Duplicate
	Carter et al. (2003) ^v	No	Duplicate
	Cohen et al. (2011) ^u	No	Duplicate
	Graham-Bermann et al. (2007) ^m	No	Duplicate
	Graham-Bermann & Miller (2013) ^t	No	Duplicate
	Graham-Bermann et al. (2015)	Yes	
	Jouriles et al. (2001) ^f	No	Duplicate
	Jouriles et al. (2009) ^l	No	Duplicate
	Lieberman et al. (2005) ^h	No	Duplicate
	Lieberman et al. (2006) ⁱ	No	Duplicate
	Macmillan & Harpur (2003) ^k	No	Duplicate
	McDonald et al. (2006) ⁿ	No	Duplicate
	McWhirter (2011) ^r	No	Duplicate
	Smith & Landreth (2003) ^p	No	Duplicate
	Smith (2016)	No	Data could not be used because they were the same as in Smith et al. (2015)
	Sullivan et al. (2004) ^p	No	Duplicate
	Waldman Levi & Weintraub (2015) ^t	No	Duplicate

Note. References for excluded studies may be found in the review articles in which they were included.
