	Article	Decision	Reasoning
1	Aiken, J. M., McClure, J., & Siegert, R. J. (1998)	Include	TSB (Study 1) SSB (Study 2)
2	Ajayi, M.A., & Ipinmoroti, A.O (2001)	Include	SSB
3	Aldridge, L. J. and Islam, M. R. (2012)	Include	SSB
4	Allen, M. S., Jones, M. V., & Sheffield, D (2009a)	Exclude	No success-failure
5	Allen, M. S., Jones, M. V., & Sheffield, D. (2009b)	Include	TSB
6	Allen, M. S., Jones, M. V., & Sheffield, D. (2010)	Exclude	Lab study
7	Allen, M. S., Jones, M. V., & Sheffield, D. (2011)	Exclude	No success-failure
8	Angelini, J. R., Billings, A. C., & MacArthur, P. J. (2013)	Exclude	No success-failure
9	Anshel, M. H., & Kaissidis, A. N. (1997)	Exclude	No success-failure
10	Anshel, M. H., & Sailes, G. (1990)	Exclude	No usable information
11	Auvergne, S. (1983)	Include	SSB
12	Ball, C. T. (2013)	Exclude	No usable information
13	Barkoukis, V., Lazuras, L., & Tsorbatzoudis, H. (2014)	Exclude	No success-failure
14	Belciug, M. P. (1991a)	Exclude	No usable information
15	Belciug, M. P. (1991b)	Include	SSB
16	Belciug, M. P. (1992).	Exclude	No success-failure
17	Biddle, S. J., & Hill, A. B. (1992)	Include	SSB (no ESs)
18	Billings, Angelini, MacArthur, Bissell, Smith, & Brown (2014)	Exclude	Observer attribution
19	Bird, A. M., & Brame, J. M. (1978)	Include	ITB
20	Bird, A. M., & Williams, J. M. (1980a)	Exclude	No usable information
21	Bird, A. M., Foster, C. D., & Maruyama, G. (1980b)	Include	SSB & TSB
22	Blucker, J. A., & Hershberger, E. (1983)	Exclude	Review article
23	Bond, K. A., Biddle, S. J., & Ntoumanis, N. (2001)	Exclude	No usable information
24	Brawley, L. R. (1984)	Include	TSB (no ESs) (Study 1)
25	Bukowski Jr, W. M., & Moore, D. (1980)	Include	SSB & TSB
26	Carron, A. V. & Spink, K. S. (1980)	Include	TSB

27	Cates C. Z. (1992)	Exclude	Not attribution study
28	Chalip, P. (1989)	Exclude	Observer attribution
29	Chow, G. M., & Feltz, D. L. (2008)	Include	TSB
30	Coco, M., Gurrisi, L., Nicotra, R., & Perciavalle, V. (2010)	Exclude	Unobtainable article
31	Coffee, P., & Rees, T. (2008a)	Include	SSB
32	Coffee, P., & Rees, T. (2008b)	Include	SSB (Study 1)
33	Coffee, P., & Rees, T. (2009)	Include	SSB
34	Coffee, P., Greenlees, I., & Allen, M. S. (2015).	Include	TSB (Study 1, Study 2, Study 3)
35	Crocker, P. R., Eklund, R. C., & Graham, T. R. (2002).	Exclude	No success-failure
36	Croxton, J. S., & Klonsky, B. G. (1982).	Include	TSB (no ESs)
37	Dabrowska, H. (1991).	Exclude	No usable information
38	Dabrowska, H. (1993).	Exclude	No usable information
39	Dabrowska, H. (1993).	Exclude	No success-failure
40	Davis IV, H., & Zaichkowsky, L. (1998).	Exclude	No usable information
41	De Michele, P. E., Gansneder, B., & Solomon, G. B. (1998).	Include	SSB
42	Dithurbide, L., Sullivan, P., & Chow, G. (2009).	Include	TSB
43	Donovan, J. J., & Williams, K. J. (2003).	Exclude	No usable information
44	Duda, J. L. (1985).	Exclude	No success-failure
45	Duda, J. L., & White, S. A. (1992).	Exclude	No success-failure
46	Dummer, Ewing, Habeck, & Overton (1987).	Include	SSB
47	Felson, R. (1981).	Include	SSB
48	Forsyth, D. R., & Schlenker, B.R. (1977).	Include	SSB
49	Furst, D. M. (1989).	Include	SSB
50	Gangyan, S., Rethorst, S., & Willimczik, K. (1995).	Exclude	No usable information
51	Gardner, L. A., Vella, S. A., & Magee, C. A. (2015).	Exclude	No success-failure
52	Gernigon, C., & Delloye, J. B. (2003).	Exclude	Laboratory task
53	Gill, D.L. (1980).	Exclude	Laboratory task
54	Gill, D. L., Gross, J. B., Huddleston, S., & Shifflett, B. (1984)	Exclude	Laboratory task
55	Gill, D. L., Ruder, M. K., & Gross, J. B. (1982).	Include	TSB (no ESs)
56	Gonzalez-Boto, Molinero, Martinez, & Marquez, S. (2006).	Include	TSB
57	Gonzalez-Bono, Salvador, Ricarte, Serrano, & Arnedo (2000).	Exclude	No success-failure
58	Gordon, R. A. (2008).	Exclude	No success-failure

59	Graham, T. R., Kowalski, K. C., & Crocker, P. R. (2002).	Exclude	No success-failure
60	Green, T. D., & Holeman, S. (2004).	Include	TSB
61	Greenlees, I., Jones, S., Holder, T., & Thelwell, R. (2006).	Include	SSB
62	Greenlees, Lane, Thelwell, Holder, & Hobson, G. (2005).	Include	TSB (Study 3)
63	Greenlees, Stopforth, Graydon, Thelwell, Filby, El-Hakim (2007).	Include	TSB
64	Grove, J. R., & Prapavessis, H. (1995).	Include	SSB
65	Grove, J. R., Hanrahan, S. J., & McInman, A. (1991)	Include	TSB
66	Hale, B. D. (1993)	Exclude	Hypothetical event
67	Hallahan, M., Lee, F., & Herzog, T. (1997)	Exclude	Observer attribution
68	Hamilton, P. R., & Jordan, J. S. (2000).	Include	SSB
69	Hanrahan, S. J., & Cerin, E. (2009).	Exclude	Hypothetical event
70	Hanrahan, S. J., & Grove, J. R. (1990a).	Exclude	No usable information
71	Hendy, H. M., & Boyer, B. J. (1993).	Exclude	No success-failure
72	Hewitt, J., & Jackson, S. (1986).	Exclude	No usable information
73	Hong-yin, D. O. U. (2008)	Exclude	Untranslatable text
74	Iso-Ahola, S. (1976)	Exclude	Attributions not measured
75	Iso-Ahola, S. (1977a)	Include	TSB & ITB
76	Iso-Ahola, S. (1977b)	Include	TSB & ITB
77	Kerr, R. H., & Beh, H. C. (1995)	Exclude	No success-failure
78	Kimiecik, J. C., & Duda, J. L. (1985)	Include	SSB
79	Lau, R. R. (1984).	Exclude	Observer attribution
80	Lau, R. R., & Russell, D. (1980)	Exclude	Observer attribution
81	Laubach, Brewer, Van Raalte, & Petitpas, (1996)	Exclude	Attribution for injury
82	Lee, F., Hallahan, M., & Herzog, T. (1996).	Exclude	Observer attribution
83	Lefebvre, L. M. (1979a)	Include	SSB
84	Lefebvre, L. M. (1979b)	Exclude	Unobtainable article
85	Leith, L. M., & Prapavessis, H. (1989).	Include	SSB
86	Mark, M. M., Mutrie, M., Brooks, D. R., & Harris, D. V. (1984).	Include	SSB (study 1, study 2)
87	Markus, Uchida, Omorogie, Townsend, & Kitayama (2006)	Exclude	Observer attribution
88	Martin-Krumm, Sarrazin, Peterson, & Famose (2003).	Exclude	Laboratory study
89	Matej, T. (2009).	Exclude	Not an attribution study
90	McAuley, E. (1985).	Include	SSB

91	McAuley, E., & Gross, J. B. (1983).	Include	SSB
92	McAuley, E., & Duncan, T. E. (1990)	Exclude	No success-failure
93	McAuley, E., Duncan, T., & Russell, D. (1992)	Exclude	No success-failure
94	McAuley, E., Russell, D., & Gross, J. B. (1983).	Exclude	Duplicate data to study included
95	McGowan, R. W., McGowan, S. J., & Omifade, A. (1997).	Include	SSB
96	Meggs, J., & Chen, M. A. (2018).	Exclude	No success-failure
97	Moore, A. J. (1992).	Exclude	Unobtainable article
98	Morgan, L. K., Griffin, J., & Heyward, V. H. (1996).	Exclude	Hypothetical event
99	Morgan, L. K., Griffin, J., & Heyward, V. H. (1996a).	Exclude	Unobtainable article
100	Morgan, L. K., Griffin, J., & Heyward, V. H. (1996b).	Exclude	Unobtainable article
101	Mroczkowska, H. (2002).	Exclude	No usable information
102	Mroczkowska, H., Bialaszek, L. and Stupnicki, R. (2006).	Exclude	No usable information
103	Nixdorf, I., Frank, R., & Beckmann, J. (2016)	Exclude	No success-failure
104	Ommundsen, Y., & Vaglum, P. (1991).	Exclude	Hypothetical event
105	Parkes, J. F., & Mallett, C. J. (2011).	Exclude	Hypothetical event
106	Pedersen, D. M., & Manning, C. L. (2004).	Exclude	Hypothetical event
107	Peterson, C. (1980).	Exclude	Combined with coach attributions
108	Polman, R., Rowcliffe, N., Borkoles, E., & Levy, A. (2007).	Include	SSB
109	Prapavessis, H., & Carron, A. V. (1988).	Exclude	No success-failure
110	Price, J., McClure, J., & Siegert, R. J. (2000).	Exclude	Unobtainable article
111	Pruitt, D. J., & Insko, C. A. (1980).	Exclude	Not sport sample
112	Rees, T. (2007).	Include	SSB
113	Rejeski, W. J., Rae, T., & McCook, W. (1981).	Exclude	Combined with coach attributions
114	Riess, M., & Taylor, J. (1984).	Include	SSB
115	Riordan, C. A., Thomas, J. S., & James, M. K. (1985).	Include	SSB
116	Roberts, G. C., & Pascuzzi, D. (1979)	Exclude	Hypothetical event
117	Robinson, D. W., & Howe, B. L. (1987).	Include	SSB
118	Robinson, D. W., & Howe, B. L. (1989).	Exclude	No usable information
119	Roesch, S. C., & Amir Khan, J. H. (1997)	Include	SSB
120	Ross, M., & Sicoly, F. (1979)	Include	TSB (No ESs) (study 3)
121	Rotella, R. J., Gansneder, B., Ojala, D., & Billing, J. (1980).	Exclude	Not attribution study
122	Sanctuary, C., Smith, A., & Thombs, B. (2010).	Exclude	Not attribution study

123	Santamaria, V. L., & Furst, D. M. (1994).	Include	SSB (no ESs)
124	Scanlan, T. K., & Passer, M. W. (1980a).	Include	TSB & SSB
125	Scanlan, T. K., & Passer, M. W. (1980b)	Include	TSB & SSB
126	Selfriz, J. J., Duda, J. L., & Chi, L. (1992)	Exclude	Not attribution study
127	Seligman, Nolen-Hoeksema, Thornton, & Thornton (1990).	Exclude	No usable information
128	Sellers, R. M., & Peterson, C. (1993).	Exclude	No usable information
129	Shapcott, Carron, Greenlees, & El Hakim (2008).	Exclude	No usable information
130	Shapcott, Carron, Greenlees, & El Hakim (2010).	Include	TSB
131	Sheedy, J. (1983).	Exclude	No usable information
132	Sherman, D. K., & Kim, H. S. (2005).	Include	TSB & ITB
133	Sinnott, K., & Biddle, S. J. H. (1998).	Exclude	Laboratory study
134	Spink, K. S. (1978)	Include	TSB
135	Spink, K. S., & Roberts, G. C. (1980)	Include	SSB
136	Stoeber, J., & Becker, C. (2008)	Include	SSB
137	Szczepaniak, J., & Guszkowska, M. (2016)	Include	TSB
138	Tan, X., & Chen, X. (1998)	Exclude	Unobtainable article
139	Taylor, D. M., & Doria, J. R. (1981)	Include	TSB & SSB
140	Taylor, D. M., Doria, J. R., & Tyler, J. K. (1983)	Include	ITB (no ESs)
141	Taylor, J., & Riess, M. (1989).	Exclude	Experimental/lab study
142	Tenenbaum, G., & Furst, D. (1985).	Include	SSB
143	Tenenbaum, G., & Furst, D. M. (1986).	Exclude	Duplicate data to study included
144	Tenenbaum, G., Furst, D., & Weingarten, G. (1984)	Exclude	Hypothetical event
145	Thomas, P. R., Schlinker, P. J., & Over, R. (1996).	Exclude	Not attribution study
146	Tian, B., Yan, W., & Ge, H. (1997).	Exclude	Unobtainable article
147	Tusak, M. (2000).	Exclude	No success-failure
148	Vallerand, R. J. (1987).	Exclude	No usable information
149	Van Lier, J., & Raes, F. (2018).	Exclude	No usable information
150	Van Raalt, J. R. (1994).	Include	SSB (study 2)
151	Vlachopoulos, S., & Biddle, S. J. H. (1997)	Exclude	No usable information
152	Vlachopoulos, S., Biddle, S. J. H., & Fox, K. (1996)	Include	SSB
153	Vlachopoulos, S., Biddle, S. J. H., & Fox, K. (1997)	Include	SSB
154	Watkins, D. (1986).	Exclude	Observer attributions

155	Weigand, D. A., & Broadhurst, C. J. (1998).	Exclude	Not attribution study
156	Weiss, M. R., McAuley, E., Ebbeck, V., & Wiese, D. M. (1990).	Exclude	Attribution for good behaviour
157	White, S. A. (1993).	Exclude	No success-failure
158	Willimczik, K., Rethorst, S., & Riebel, H. J. (1986).	Include	TSB (No ESs)
159	Wilson, M. A., & Stephens, D. E. (2005).	Include	SSB
160	Wolfson, S. (1997)	Exclude	No success-failure
161	Wong, E. H., & Bridges, L. J. (1994).	Exclude	No usable information
162	Ye, P. (2001).	Exclude	Unobtainable article
163	Zaccaro, S. J., Peterson, C., & Walker, S. (1987).	Include	SSB, TSB, & ITB
164	Zientek, C. E., & Breakwell, G. M. (1991).	Include	SSB (no ESs on some items)
165	Zoljanahi, Mohammadi-nezhade, Gilde, & Taheri (2018).	Exclude	Hypothetical event
166	Zsheliaskova-Koynova, Z. (1991).	Exclude	No usable information
