

SHUNNING RESEARCH STUDY

Would you like to share your experiences with shunning with researchers who study personal relationships?

The purpose of this anonymous, online study is to explore ex-Church members' experiences leading up to and in the aftermath of ex-communication/leaving the Church.

To participate you must: (a) be 18 years of age or older, (b) have been expelled by or otherwise have decided to leave the Church), and (c) be able to read and write in English.

Please share this ad with others who may be interested.
