

PARTICIPANT INFORMATION

- 1) Level of training – multiple choice

PGY1 PGY2 PGY3 PGY4 PGY5

- 2) Size of the program in terms of residents per year - multiple choice

1-3 4-6 7-9 10+

- 3) Province of training – dropdown list

AB BC MB NL NS ON QC SK

IMPACT OF COVID-19 ON TRAINING

- 4) Rate the level of disruption due to COVID-19 on each of the following aspects of your training.
(rating scale)

- a. Day-time schedule
- b. After-hour/call schedule
- c. Volume of daytime cases
- d. Volume of after-hours cases
- e. Teaching rounds
- f. Disruption of internal and external assessments (e.g. departmental OSCEs, MCCQE and Royal College Exams)
- g. Fellowship planning
- h. Electives
- i. Research activities (e.g. conferences)
- j. Vacation/Travel
- k. Other (please specify)

Following options for each:

None at all

Little bit

Moderate

A lot

A great deal

- 5) Have you been redeployed? (multiple choice)
- a. Yes – within radiology department
 - b. Yes – outside of radiology department
 - c. Not yet – but may be redeployed in future
 - d. No – exempt from redeployment

- 6) What is your level of stress/anxiety regarding work-related COVID-19 exposure? (rating)

None Low Moderate High Extreme

- 7) What did your program utilize to circumvent these? Select all that apply (multiple choice)
- a. Virtual teaching rounds
 - b. Virtual/phone readout
 - c. Ability to report from home
 - d. Change in schedules to allow staying home
 - e. Change in schedules to allow social distancing at work
 - f. Offering additional self-study resources
 - g. Other (please specify)
- 8) Please select which of the following web conference software you have come across during this pandemic and your level of satisfaction with each. (rating scale)
- a. Zoom
 - b. GotoMeeting
 - c. Google Meet/Hanout
 - d. Cisco Webex
 - e. Skype
 - f. Microsoft Teams
 - g. GotoWebinar
 - h. Other
